***Hey Mustangs! Ever wonder what scientists are still discovering beyond our planet? Then you should check out "The Roman Space Telescope and Its Mission to Map the Universe" by Tessa Kientz from The Wrangler, our school newspaper! This article explores NASA's new Roman Space Telescope, its journey into space, and how it could help scientists learn more about exoplanets, dark matter, and the universe around us. Head over to The Wrangler website to read the full article and explore the latest discoveries in space!

Hey Mustangs! The Mustang Market opens Wednesday, October 7th. Make sure to visit and support the Mustang Market. We sell products like car fresheners, octo-buggies, and Pokemon cards. See you next Wednesday!

The activities window will be closed for purchases on Thursday and Friday this week. If you need to make purchases in person, do so by today. The web store will be open for all other purchases.

Nominations for Homecoming Court are open until Wednesday this week. Check your emails for a link to the nomination form. You can nominate two of your classmates but you'll only be allowed to submit your form once. Voting for Homecoming Court will take place once nominations are complete.

Attention Mustangs: Girls soccer will be hosting tryouts for the upcoming Winter soccer season. The tryouts are for Freshman and anyone new to the program. Tryouts will be held on Monday and Tuesday, October 5th and 6th from 3:30 p.m. – 5:00 p.m. on the grass fields. As a reminder, anyone trying out must be cleared on Home Campus and have a current physical uploaded. If you are not cleared, you will not be allowed to participate. If you have any questions, please see Mrs. Belleville in the front office or Coach Platt. Thanks, have a great day and Go Mustangs.
