YORBA LINDA HIGH SCHOOL
Activities and Events for November 6, 2026

***Hey Mustangs! Have you heard about the YLHS Civics class? This unique course goes beyond learning about government by giving students hands-on opportunities to explore their roles as citizens. Through its partnership with the Richard Nixon Library, students get to hear from government leaders, learn from college professors, develop research and public-speaking skills, and become more involved in their communities. Want to learn more about what makes this class stand out? Check out Camila Padilla's latest article in The Wrangler!

If you want your club featured in this year's yearbook, please make sure to submit your **club Google Slide and complete member roster** to **Mrs. Shay** at **sshay@pylusd.org**. The exact deadline for all submissions is **Friday, November 13th**. Don't miss out on getting your club recognized—get those slides and rosters emailed in as soon as possible! Thank you!

Good morning, Stampede! Get ready for our new school-wide art project: **Faces of the Stampede**! Every student is invited to design and decorate a mask representing who they are. You will receive your blank mask from your Language Arts teacher. To help you bring your ideas to life, our art teachers are hosting lunchtime work days in **Ms. Fritz's room (Room 505) on Mondays, Wednesdays, and Fridays**! Today! All supplies—including paint and craft materials—will be provided. Just grab your mask, bring your lunch, and drop by Room 505 to start creating!
